Umicore gold bars – turning moments into golden memories.

Umicore 1 g or 2.5 g gold bars in new, attractive gift packaging turn moments into golden memories of lasting value. Umicore – simply good, simply gold.

Gold – make the moment last

Plenty of occasions are worth their weight in gold – small moments and significant moments, moments that are worthy of a fitting gift. An anniversary, the birth of a child, a christening, graduation, wedding, a milestone birthday, Christmas together, a thank you – these are moments that make our eyes and hearts glow.

The right gift makes memories unique, everlasting, personal.

A GIFT WITH A WOW EFFECT

Our Umicore gold bars in new, attractive gift packaging are now available as 1 g and 2.5 g bars.

OUR PROMISE

Sustainability matters to us. Our precious metal bars are produced using precious metals from the world's largest recycling plant for secondary materials containing precious metals, such as electronic waste.

Umicore gold bars continue to be a safe investment, combining tradition with responsibility for the future.

Our gift bars and all other Umicore gold bar formats, are available at banks, savings banks, and selected trading partners.
